

PALM BEACH UNIT NEWS

NOTE FROM THE CHAIR

The Palm Beach Unit wrapped up an exciting Fall schedule with a festive holiday party. Thank to Joyce Lampert, our Social Chair, for organizing a great party. We saw many new and returning faces whom we hope to see again throughout the year. In addition, at the holiday party, we collected more than \$200 worth of gift cards to be donated to the clients of Adopt-A-Family to help them have a happy holiday.

We are still looking for members to join our Peer Consultation Group. If you are interested in participating in an opportunity to review your cases with your fellow social workers in a relaxed setting, please contact Sara at (561) 533-0948 or sara@saradochterman.com. Sara is also spearheading the committee to plan a wonderful Social Work Event in March. If you would like to lend your ideas and talents to this committee, please contact Sara.

Lastly, the Palm Beach Unit would like to congratulate the county's newest social workers: the graduates of Barry University. We welcome you to the profession and look forward to your contributions to the field and the Unit.

Laura Zel, Unit Chair, Palm Beach
