MESSAGE FROM THE CHAIR

Welcome to 2012!

We are excited to partner with Sunshine from Darkness, an organization whose mission is to erase the stigma of mental illness through education, advocacy, and raising funds for research. The Coping with Trauma and PTSD: Journey to Wellness symposium will take place on January 14th from 9:00 a.m.–1:00 p.m. (Doors open at 8:00 a.m.) at the Van Wezel Performing Arts Hall. This FREE event for the community and professionals will be great. We encourage our membership and anyone in our community to attend. For more information or to register, please go to www.sunshinefromdarkness.org.

We are taking nominations for the Social Work Awards. Please send to Jason at info@drquintal.com.

In March, we will have our annual Awards dinner. We will let you know date and time.

On April 13th, we will have our large CE training at the USF-Sarasota Campus. Topic TBA

We trust you had a good 2011 and will have an even better 2012.

In a matter of minutes, you can join one of the top resources for social workers in specialty practice—the NASW Specialty Practice Sections (SPS).

These professional communities focus on a single practice area, keeping you up-to-date on research, professional development, and other practice-specific news and information that you can apply to your work or studies.

Top Three Reasons to Join

- Stay current on research, treatment strategies, and other developments in your specialty.
- Take free practice webinars to supplement your studies and field placement and earn CE credits for state licensure renewal.
- Expand your knowledge base by reading articles about case studies, clinical research, and practice innovations in your Section's newsletters.

Choose from 11 Practice Areas — Only \$99 per Section
