LEGISLATIVE SPONSORSHIP PROGRAM

In Webster's Dictionary, a sponsor is "one who assumes responsibility for some other person or thing." Accordingly, NASW-FL is asking our members to take care of one of our state's legislators, nurturing a relationship, helping the legislator to understand the social work profession and social work issues, and encouraging them to vote our way when the time comes. Responsibilities will include an in-district visit and phone calls and e-mails during session.

Our goal is to get at least one sponsor for each Representative and Senator. Sign up today to sponsor your Senator, your Representative, or both!
